Breakfast Club – Home School Agreement

It is important that all children at the Norwood Green Infant School's Breakfast Club are safe and happy.

Despite the club being held outside the school hours, we expect all children, from both schools, to follow the school rules. We have a few simple expectations that:

- ✓ **All children should be polite, respectful and helpful to others.**
- ✓ **The children should always try to enjoy themselves and help other children, of all ages, to do the same by behaving in a safe and sensible manner.**
- ✓ **The children should take good care of the school.**

If any pupil is not able to follow the above rules, they may not be allowed to attend.

Mr D Willetts

Head Teacher

'I understand and agree to the above school rules':
