

Hello!

I'm Mrs Coetzee, and I'm so excited to be teaching your children this year. This is my 11th year of teaching, and I've been lucky enough to teach from preschool all the way to secondary school, although primary school has my heart! I'm a mum to twins and love spending time with my family and being creative. I encourage children to always try their best and remember Maya Angelou's words: "When you know better, do better." Every challenge is a chance to learn, try again and continue to grow.

Hi everyone,

I'm Miss Jama and I'm thrilled to be your child's LSA this year!

I studied Science and worked in labs previously, but I found my passion in working with children, so here I am!

Outside the classroom, I love travelling, basketball, swimming, and curling up with a good book. I also love trying different cuisines from around the world.

Can't wait to get to know you all and our new lovely students! 😊

Hi everyone,

My name is Mr. Agha, and it's a pleasure to be working in Year 3! I come from a background of Psychology. After graduating, I started working in schools as a Behaviour Mentor. I went on to become a Children's Sports Coach and recently completed my second Masters.

Supporting children's development is an honour, and it allows me to put my experience to good use. I am super excited for the year ahead!
