

Welcome to Year 3!

Dear Year 3,

My name is Miss Hussain, and I am very excited to be your new Year 3 teacher in September! I currently teach Year 3 at Norwood Green Junior School, and I can't wait for us to have a fantastic year together.

A little about me: I love reading, especially *Harry Potter*, and I enjoy watching films such as *The Lion King* and *The Chronicles of Narnia*. I am the oldest of four sisters, and I love spending time with my friends and family. I'm also a big foodie – my favourite dish to cook is prawn pasta with tomato, chilli and basil! My favourite subjects to teach are PE, Art and Maths, and I have lots of exciting lessons planned. I'm looking forward to finding out about your favourite books, foods, films and subjects too!

In our classroom, we will work together to create a safe, happy and positive place to learn. One of my most important expectations is respect – being kind, listening carefully and looking after each other and our classroom. Remember, never be afraid to ask for help or make a mistake – mistakes help us learn! Over the summer, you will receive some homework to complete and bring back on your first day. Most importantly, have a wonderful and restful summer holiday. I can't wait to meet you all. See you in September!

Miss Hussain

Hello! My name is Mrs R. Yasmeen, and I am delighted to be part of the Year 3 team this year. I have worked at NGJS since 2007 as a Teaching Assistant and am very proud to be part of our wonderful school community. This will be my first year working alongside Miss Hussain, and I am really looking forward to creating a happy, safe and creative classroom where every child feels supported, encouraged and excited to learn.

I speak four languages: English, Urdu, Pashto and Punjabi and I have three grown-up children who are all married and settled in the Middle East. Outside of school, I enjoy travelling, watching movies and cooking. I especially love exploring new places and learning about the world around us. I am a positive person who always tries to see the best in others. One of the most rewarding parts of my role is making a positive difference in children's lives and helping them grow in confidence. I am really looking forward to getting to know all our Year 3 children and their families and having a wonderful year filled with learning, creativity, fun and memorable experiences!

Mrs R. Yasmeen
