

Dear 4S,

Welcome to your new class! You are very lucky this year as you've got Miss Sahota, Ms Bahir and Mr Blakeborough. We hope you are ready for an exciting year of learning, fun, and new adventures in Year 4. In this letter, we are going to be telling you a bit about ourselves so that you can get to know us.

Miss Sahota

4S, I am so excited to be your class teacher this year. My favourite subject is Maths as I enjoy answering problem solving questions to challenge myself. I also enjoy reading, particularly in the evenings after a busy day. It helps me to feel relaxed.

This year, we're going to work hard and aim high together. My three main goals for all of you in Year 4 are:

- To become confident readers, who enjoy picking up a book
- To take pride in your work by presenting it neatly and clearly,
- To master your times tables up to 12, both in and out of order!

Ms Bahir

I am super excited to be with you this year. I will be supporting children in the classroom and teaching interventions across Year 4. We are going to have a fantastic year together, full of exciting lessons, new challenges, and plenty of fun! A little about me... I love drinking matcha, reading books and I really enjoy K-pop. Most importantly, I want you to know that I am always here to support the children whether they need help with their learning or homework, someone to listen to, or simply someone to have a chat with. I'm really looking forward to getting to know everyone and making this a happy, fun, and memorable year together!

Mr Blakeborough

I am so excited to be working with 4S this year. I had the pleasure of working with the class last year on Monday and Wednesday mornings, so I already know what a hardworking, enthusiastic and fun group they are. As well as working in the classroom, I also teach PE in the afternoons. This gives me the opportunity to see the children's active, energetic and playful sides outside of the classroom, which is something I really enjoy! I am looking forward to getting to know the children even better and having a fantastic year together in 4S.

Get ready for a great start – we are so happy to have you in our class!

Kind regards,

Miss Sahota, Ms Bahir and Mr Blakeborough
