

Dear Parents, my name is Ms Money and I am currently teaching 4T. I have been a teacher at NGJS since 2016! I wanted to write you a letter so that you can get to know me a little bit. I love reading. I always have my head in a book! At the moment, I am enjoying reading Ultimate Football Heroes books with my son. I love to learn new skills so my hobbies include: learning Japanese, playing the ukulele and looking after my 65 houseplants and two cats. I love teaching all the different subjects but I especially art, music and history.

Dear parents and carers

My name is Mrs Sheikh.

I am delighted to introduce myself as a member of the teaching team at NGJS. I also work here as an SMSA and I feel incredibly fortunate to be returning to a school that holds a very special place in my heart.

Some years ago, my own children had the wonderful opportunity to attend the school. Having experienced the school as a parent, it is particularly meaningful to now return as a teaching assistant. I have seen first-hand the care, encouragement and sense of community that make this such a special place for children to learn and grow. I look forward to getting to know each child as an individual and helping them to develop both academically and personally.

As a parent, I understand how important it is to know that your child is happy, supported and well cared for at school. I hope to build positive relationships with you and to work together to ensure that your children have a happy and successful experience.

It is a real privilege to be part of the school community once again, and I am very much looking forward to the year ahead. I feel especially proud to be able to give back to the school that played such an important role in my own children's education.

Warmest wishes,

Mrs Sheikh.
