Dear 5S Children and Families,

We are delighted to welcome you to 5S! We are looking forward to working together and making this a happy, exciting and successful year for every child.

Hello! My name is Mrs Menan, and I am delighted to welcome you to 5S.

Our classroom will be a happy and supportive place where everyone feels valued, enjoys learning and feels confident to try new things. We will celebrate our successes, learn from our mistakes and encourage one another throughout the year.

I especially enjoy teaching Art and Science, and I love seeing children explore new ideas, ask thoughtful questions and express their creativity.

I am looking forward to discovering your interests, celebrating what makes each of you special and helping you grow into confident, curious and caring learners. Together, we will make 5S a wonderful classroom family!

Hello! My name is Ms Rahman, and I am very excited to be another one of your teachers in the 5S family.

I have worked at our wonderful school for nearly 20 years. It has been a joy and a privilege to watch so many children learn, grow and blossom throughout their time at Norwood Green.

I am a mother of three children, and all three of them attended Norwood Green Junior School. This makes our school a very special place for me!

I am looking forward to teaching you useful and practical skills that will help you both inside and outside the classroom. Most of all, I cannot wait to get to know every child, discover what makes you special and support you throughout your Year 5 journey.

Our 5S Promise 💛

Together, we will create a classroom filled with kindness, respect, encouragement and exciting learning. We will celebrate what makes every child unique and help one another become the best versions of ourselves.

Let's make this a brilliant year!

Warm wishes,
Mrs Menan and Ms Rahman
