
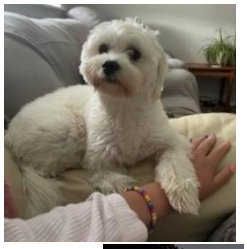
Dear 5T,



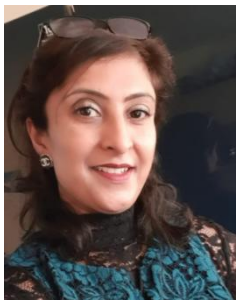
I am Miss Hill, welcome to Year 5! I am very excited to spend this new year together and create lots of memories.

A little about me, I have been at Norwood Green Junior School since 2018 and worked in every year group! I love teaching and helping children grow and become kind, resilient and independent humans. I have a dog at home, her name is Coco, she's 1 and super fluffy. She's very playful and loves hugs. I like to travel too, seeing the sights and watching the sun set.

One of my biggest interests is reading, fantasy is the best genre, in my opinion. It's great to slip into new worlds that you build in your imagination. When I was your age, my teacher read to me the book 'Wolf Brother' by Michelle Paver and it became my favourite book series EVER! Story time is an important part of our day, I promise to read all books in fun ways, with as many voices as possible. At NGJS, we believe reading is an essential skill, so we encourage you to read every day at home as well as school.

I love learning, I am a curious person that hates to leave any question unanswered, so trust me to take all your questions seriously and to answer them as well as I can.

In our class I expect everyone to follow the class charter, every value is important, and they are all expressed though kindness and respect. You must show respect through your listening, actions and words. We spend a great deal of time together; we are each other's school family. That means we must think of others as well as ourselves.



Let me introduce to you our LSA in 5T: Ms. Virdee.

Ms. Virdee is a very busy lady, looking after her two boys and her parents. She's passionate about working with children and teaching young minds. Expect her to be visiting Kenya during her holidays to visit family! Ms. Virdee is one of our SMSA's, so she is always around for you!

Welcome to Year 5!

Best Wishes

Miss Hill & Ms. Virdee
