Hello 4R!

I am Mrs Daries, and I am so excited to be your teacher for the year ahead! I am really looking forward to getting to know each one of you.

This year, we will work hard, have lots of fun and, most importantly, grow and learn together. I believe that we can all learn something from one another, and I can't wait to see all the amazing things you will achieve!

I am from Cape Town, South Africa, and I have been living in London for nearly four years. I live here with my husband and our baby boy, Zachary. We absolutely love living in London.

When I'm not working, I love spending time relaxing and enjoying the things that make me happy. I used to love relaxing with a lovely cup of tea, but these days, my favourite thing to do is visit the park with my very busy little boy, Zachary!

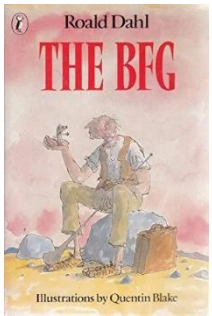
📚 I LOVE reading! I have read The Hunger Games series so many times that I have completely lost count! They are definitely some of my favourite books of all time.

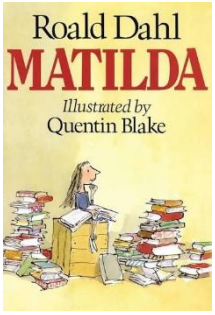
🎬 I enjoy watching a good movie every now and then too — although, with a very busy baby at home, I honestly can't remember the last time I went to the cinema!

I am really looking forward to getting to know each of you, discovering what makes you special and watching you learn, grow and become the very best version of yourselves.

Dear 4R,

As you know, my name is Ms Lawrence and I am very pleased to be working with you again this year and working with Mrs Daries. I am a Teacher of the Deaf and I have been working at Norwood Green Junior School for nearly 20 years! I am also Assistant Headteacher and Head of Centre for the Deaf. When I was your age, I loved reading books. My family used to call me a bookworm! My favourite books were 'The BFG' and 'Matilda' by Roald Dahl. I still love reading, especially during the holidays when I have time to relax. Outside school, my favourite hobbies are dancing and singing.

I am looking forward to another exciting and fun year together!




from Ms Lawrence
