Norwood Green Junior School Centre for the Deaf Offer

- Small group teaching of English and Maths by Qualified Teachers of the Deaf (QToD) daily in the Centre for the Deaf
- In class support from QToD or small group teaching of foundation subjects by QToD
- Weekly sessions with Speech and Language Therapist - programmes and progress shared with QToD
- Total Communication environment – British Sign Language (BSL) or Sign Supported English used during lessons and assemblies
- All QToD have a BSL qualification at Level 2 or above
- Access to hearing equipment (receivers and radio aid system in all classes with deaf children)
- Radio aids used in mainstream lessons and assemblies
- Visual and Listening checks (the LING sounds) carried out on both hearing aids (HA) and cochlear implants (CI) by QToD to monitor pupils' identification of sounds across the speech range
- An emphasis on maximum use of pupils' hearing through consistent use of amplification
- An acoustic environment suited to the needs of HA/CI users
- Ewing Foundation – Technology Consultant visits twice yearly to monitor and assess pupils' HA/CI and radio aids and receivers
- All deaf children are members of a mainstream class - opportunities to integrate with deaf and hearing children in order for pupils to develop their peer relationships
- Deaf Awareness taught annually across all mainstream classes
- Personal Understanding of Deafness taught in Centre for the Deaf
- Deaf specific sporting activities run by deaf role-models from Brentford FC Community Sports Trust
- Continual liaison between QToD and Class Teachers to monitor pupils' progress
- Clear transition processes from infant provision for Hounslow at Norwood Green Infant School Centre for the Deaf and to secondary provision for Hounslow at Heston Community School Centre for the Deaf
